2020

National Ave. Construction 76th to 82nd St.

www.westalliswi.gov/nationalave

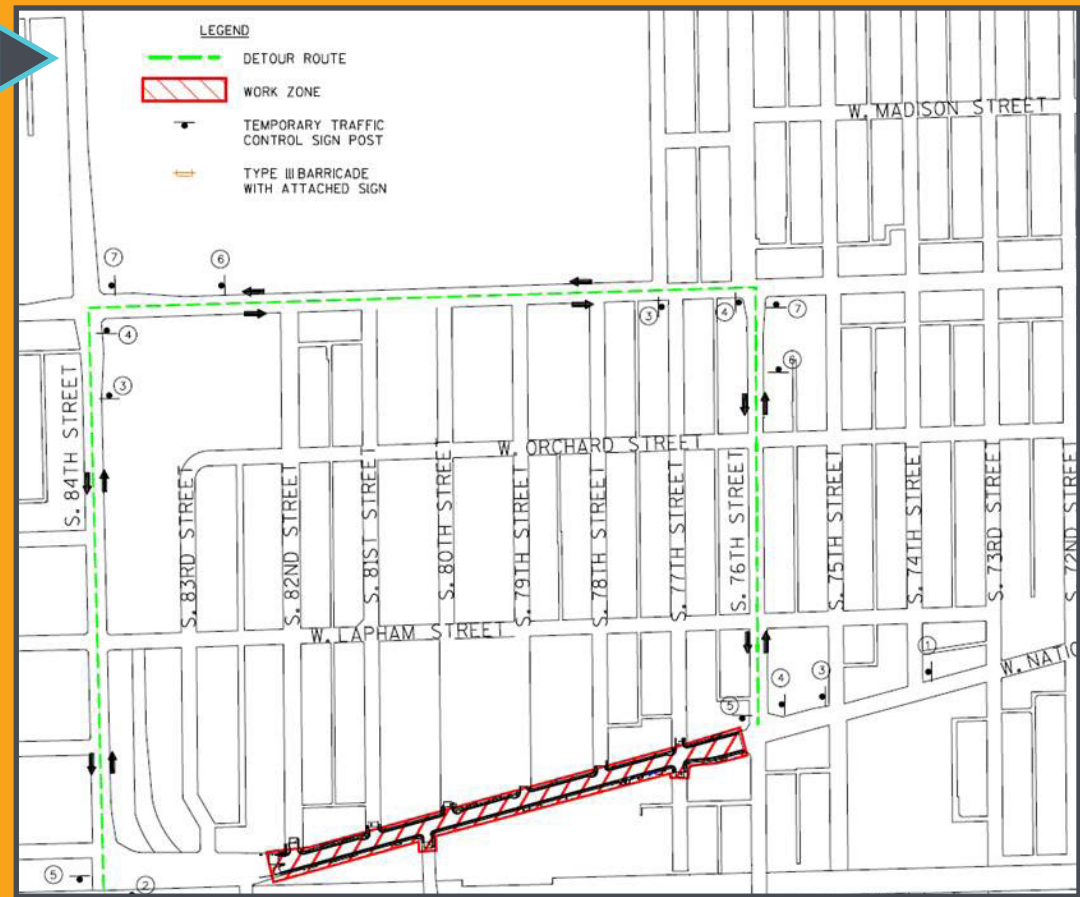

Detour Information

Official detour uses Greenfield both directions during full closure/underground work in stages 1 & 2

Parking

On-street parking during construction will be provided on neighboring streets. On-street parking permits will not be needed during construction. Police will increase patrols in the surrounding neighborhood.

Disabled parking spaces will be located on the nearest adjacent street for use by any residents with a Wisconsin Disabled Parking Identification permit or disabled license plates.

Detour Information

Official detour when enough pavement to allow one lane of traffic and detour the other direction in stage 3 & 4.
